Dear Evelyn Perez-Verdia:

Thank you for your letter to the Republican Party of Florida regarding Hispanic engagement.

We share your passion for the Hispanic community in the Sunshine State and have always considered positive engagement with the Hispanic community a priority. As we build our team and carry out our strategic plan for the coming election cycle, we will certainly make sure that engaging the Hispanic media is a top priority for our communications team. We understand that outreach and engagement with all communities in Florida requires specialized skills, and I have tasked my staff with finding the best candidates for every open position.

Thank you again for taking the time to share your thoughts and concerns with me. My door is always open.

Thank you,

Blaise Ingoglia  
Chairman  
Republican Party of Florida
